

APARTMENTS MELOGRANO

Melograno is located on the north-western side and towards the centre of the park. The seven small apartment villas have just two stories. Thanks to their classical and modern designs they make up a harmonious whole with the other villas in the park. A great deal of thought has been devoted to the location of the apartment villas in the park, and they are surrounded by extremely verdant gardens. The garden apartments on the ground floor all have their own gardens. The penthouse apartments on the 1st floor all have spacious balconies and/or roof terraces. The spacious layout and great variety of original and innovative designs guarantees excellent living comfort and optimum privacy. The sophisticated light ingress makes the homes particularly comfortable and pleasant to live in any season.
